# A World of Products...

## ► **PRODUCT SOURCING**

- The Orient Collection can source just about any product from China and around the world.
- We use a vast network of overseas factories that we deal with on a regular basis.
- We are capable of creating your custom designs to the highest quality standards.
- We are fluent in Chinese and English and deal directly with our suppliers in China.
- All Orient Collection products are made by following strict premium quality guidelines.
